Mrs. Morgan said after review once they submitted for the Preliminary Plan and Plat Revision, we determined that they will actually need a Plan Description Revision, so that is being referred today, so it should be at Planning Council next week. We will then have a public hearing. We are starting notifications for that for the April 17th Planning Commission. Planning has sent out some comments for the Preliminary Plan and Plat. I think they are working on revisions on that. Engineering, any updates?

Mr. Phipps said no.

Mrs. Morgan said Fire, have you guys had a chance to…

Mr. Cross said no, they just had to add an extra hydrant on the 2 sides just to meet the 300 foot distance between. I haven’t seen anything on that yet.
