AGENDA

Bike and Pedestrian Plan Update:
- Comments and Input
- Next Steps

The Bike Pedestrian and Transit plan update is a revision just to the Appendix of the existing Bike/Ped Plan.
Back in 2009, July of 2009, the City Council did approve a Bike/Pedestrian Plan and as part of that plan there were a number of goals outlined. The intent of the new plan is to be more user friendly, and to identify new trails, such as the Butterfield Road Trail, and bikeways.
The advisory board will review the draft plan update and provide recommendation for further enhancements of the text.
A tentative schedule of the approval process was discussed.

2019 GreenFest

The advisory board planned to attend the upcoming GreenFest event on September 28, 2019. Members of the board will have a booth at which informational and educational materials will be provided. Staff will coordinate to provide the necessary.
