November 7, 2021 – FOR IMMEDIATE RELEASE

POLICE INVESTIGATING FATAL ACCIDENT ON CITY'S EAST SIDE

The Aurora Police Department is continuing their investigation into a fatal accident that occurred on Sunday afternoon on the city's east side.

At approximately 3:14 p.m., Aurora's 911 center received reports of a rollover traffic crash at the intersection of Indian Trail and Farnsworth Avenue. Aurora Police officers and the Aurora Fire Department arrived on scene and determined a 2019 Hyundai SUV and 2012 Chevrolet sedan collided in the intersection. The impact of the crash forced the Hyundai to land on its roof with the driver partially ejected.

The Aurora Fire Department worked to extricate the driver of the Hyundai and perform lifesaving measures. The driver of the Hyundai, a 23-year-old Aurora man, was transported to a local hospital where he was later pronounced deceased. The 16-year-old driver of the Chevrolet was not injured.

Aurora Police Department's Traffic Division responded to the scene to conduct an investigation into the crash. Traffic investigators used state-of-the-art drone technology to create a 3D digital map of the scene that allows investigators to see specific details and measurements of the scene. Indian Trail and Farnsworth Avenue remained closed for several hours, while traffic investigators reconstructed the accident.

The investigation into the circumstances of the crash is on-going. Anyone with information about the accident is asked to call the Aurora Police Department's Traffic Division at 630-256-5330.

Citizens can also send information or video of this incident to TIPS@apd.aurora.il.us.
