Spay/Neuter Program

Aurora Animal Care & Control

Easy as 1, 2, 3!

If you are an Aurora resident and own a cat, you are eligible for free spay/neuter of your cat courtesy of Aurora Animal Care & Control (AACC). In order to receive a free spay/neuter voucher, you need to bring the following information to AACC:

1. Your driver's license or photo ID
2. A current rabies certificate for your cat
3. Proof that your cat is microchipped

To be approved, the documents must have the matching information including the name of the current owner and present address in Aurora.

If your cat is not microchipped, please bring them to AACC and as part of this program, they will be microchipped for free.

Once you have been approved by the AACC staff, you will receive your spay/neuter voucher and a city tag!
