The City of Aurora City Council approved Ordinance O22-007 on February 8, 2022 amending Chapter 6:

Sec 6-28 (f)(1): All licensees licensed for on-site consumption may submit an application to the local liquor control commissioner to open and sell alcohol for on-site consumption one (1) hour early and to extend closing hours by one (1) hour per the hours as set forth in section 6-28 (a). Each licensed establishment may be granted extended hours for special dates up to two (2) times per calendar year. Licensees are free to request any date of the year to apply as a Special Date. A New Year's Eve extension through 4:00 a.m., if granted, does not count toward a licensee's limit of two (2) special date extensions per calendar year.

Sec 6-28(f)(2): The local liquor control commissioner may deny such request from any establishment that has had its liquor license suspended within the past year or for any establishment that currently owes the city money or has been found to be in violation of any city codes within the past twelve (12) months. Establishments with active alcohol-related public nuisance abatement plans will not be eligible for the extension of hours. The local liquor control commissioner may discretionarily deny such request.
