

Creating a New Peddlers-Solicitors License

A user MUST make an account first to apply for a license.

Please allow yourself enough time to complete the application in one attempt as the system times out. The entire application process and payment are completed online. Once the permit is approved and ready for pick up, the City Clerk's Office will send an email to the applicant. Each approved applicant must pick up their own permit in person.

NOTE: A SUBMITTED APPLICATION DOES NOT EQUATE TO AN APPROVED PERMIT
