

## 2021 Collection Calendar for Low Volume Trash Program

The City of Aurora's low-volume option provides trash collection every other week in a specially marked 35-gallon cart. Use the calendar below to determine the proper collection week. Recycling and Yard Waste is collected on a weekly basis. Yard Waste stickers are required.

If collection day falls on a holiday: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas Day, collection will shift to the next day – excluding Sundays.
