Event Participation Policy

The Aurora Fire Department may, at the request of our citizens, attend legitimate City of Aurora approved "Block Parties." (*Permit # must be provided*) Our attendance is for the sole purpose of promoting public education through a fire safety discourse and dissemination of fire safety information. Attendance at community events is subject to approval by the Fire Department Prevention Office after a thorough review of previously scheduled appointments have been performed. *Approval is NOT guaranteed.*

Requestors must understand these firefighters/paramedics and their equipment are working companies and, as such, may have to leave an event. The performance of their regular duties may lead to a late arrival or may prevent their attendance altogether.

The Department will NOT participate in events such as birthday parties, weddings, holiday celebrations, political or other types of private parties.

The Department will NOT attend such events held at business locations such as retail stores. It is felt that such business would be using our presence as and advertisement tool to bring interest and customers to the store and therefore, this would present a conflict of interest.

Our participation at events may occur between the following hours:
From 8:00 am – 11 am and 1: 00 pm – 4: 00 pm.

Tours of Fire Stations may be scheduled daily between the following hours:
8:-00 am – 11:00 am ; 1: 00 pm – 4:00 pm; and 6:00 pm – 8:00 pm

Event Location must be within the Aurora City Limits. Events outside these specified time slots will NOT be approved.
