

Group Tour Form

Please fill out and email to DPowell@Aurora-il.org. Once the form is received the zoo manager will contact you to confirm the reservation. Tours are offered 9:00am-2:00pm Wednesday-Saturday. To avoid schedule conflicts with other groups, all tours both self-guided and requested keeper-guided must be booked at least 2 weeks in advance.

Contact Name: _____ Group Name: _____

Contact Email: _____ Contact Phone Number: _____

I prefer being contacted by: Phone Email

Preferred Dates and Times for Tour: _____

Number of attendees (please include # of kids and chaperones if applicable): _____

Age Range of group: _____

For groups with kids under the age of 5 a self-guided tour is recommended.

If group is larger than 30 individuals it is advisable to split the group up in to several smaller tours or do a large self-guided Tour. Tours start at the visitor center, last about an hour, and go through the whole zoo including the reptile house. For more educational resources see our website www.phillipsparkaurora.com

Main focus/reason for tour (please indicate if this will be a self-guided or **request** for a keeper-guided tour): _____

I understand that the Phillips Park Zoo staff will do their best to provide an educational and fun tour of the zoo. All animals have the choice to be viewed by the public or not and the zoo does not have control over emergency closures of exhibits including the reptile house. There is a chance my group may not be able to view all the animals at the zoo and may not have access to the reptile house during our visit and I will not hold the zoo liable if this occurs.

Signature of Group Representative: _____ **Date:** _____

The Phillips Park Zoo is a free zoo. We offer free educational tours to schools and groups as part of a community service. If your group would like to help the zoo to continue to improve its education and conservation programs, or general care of the animals we do accept tax deductible donations through the Phillips Park Zoociety.
