I. INTERPRETATION

A. **Conflicts.** These Rules do not supersede the provisions of the Act. If a provision of these Rules conflicts with the Act, then the provisions of the Act will govern.

B. **Definitions.** In addition to the definitions provided in the Act or elsewhere in these Rules, the following definitions apply:

1. **Business Hours:** 8 a.m. to 5 p.m. on a regular Business Day.
2. **Business Day:** Any day on which general offices of the City at the City Hall are open and staffed for regular public business. Business Days generally are Monday through Friday, except federal and state legal holidays.
3. **Freedom of Information Officer (FOIA Officer):** The Freedom of Information Officer of the City identified above and designated under Section 3.5 of the Act. The City may at any one time have more than one person acting in the role of Freedom of Information Officers (collectively referred to as the “FOIA Officer”).
4. **Public Access Counselor:** The Public Access Counselor of the Office of the Illinois Attorney General.
5. **Recurrent Requestor:** A person that in the twelve (12) month immediately preceding the Request, has submitted to the City (i) a minimum of fifty (50) requests for records, (ii) a minimum of fifteen (15) requests for records within a thirty (30) day period, or (iii) a minimum of seven (7) requests for records within a seven (7) day period. For purposes of this definition, requests made by news media and non-profit, scientific, or academic organizations shall not be considered in calculating the number of requests made in the time periods in this definition when the principal purpose of the request is to (i) access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific or public research or education.
6. **Request:** A request to inspect, copy, or certify public records.

7. Request Made for Commercial Purposes: A Request made with the intent to use the requested records (or the information derived from those records), in whole or in part, for sale, resale, or solicitation or advertisement for sales or services. However, a Request submitted by news media or by non-profit, scientific, or academic organizations will not be deemed to be made for commercial purposes if the principal purpose of the Request is (a) to access and disseminate information concerning news and current or passing events, (b) for articles of opinion or features of interest to the public, or (c) for the purpose of academic, scientific, or public research or education.

8. Requestor: A person, firm, or corporation that files a Request with the City.

9. Voluminous Request: A request that: (i) includes more than 5 individual requests for more than 5 different categories of records or a combination of individual requests that total requests for more than 5 different categories of records in a period of 20 business days; or (ii) requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages. "Single requested record" may include, but is not limited to, one report, form, e-mail, letter, memorandum, book, map, microfilm, tape, or recording. A voluminous request does not include a request made by news media and non-profit, scientific, or academic organizations if the principal purpose of the request is: (1) to access and disseminate information concerning news and current or passing events; (2) for articles of opinion or features of interest to the public; or (3) for the purpose of academic, scientific, or public research or education.

10. Unduly Burdensome Request: A Request so broad and voluminous that compliance with the request would be unduly burdensome for the public body to respond.

11. Response Time: The time for response by the City to a request for public records, as calculated pursuant to Subsection III.A of these Rules.

C. Days; Measurement of Time

1. Days. In counting the number of days allowed for a response or a decision to be given by the City under the Act and these Rules, the City will not include the day on which the request or notice requiring the response or decision was first received. Day one will be the first Business Day after the request was received.

2. Supplemental Requests. Supplemental, amended, or additional Requests will not relate back to the time of receipt of the initial Request. Supplemental, amended, or additional Requests will be considered new Requests for purposes of determining the applicable Response Time.

3. Response Date. All responses, correspondence and decisions to be issued by the City under the Act and these Rules will be deemed to have been given on the date sent (whether by mail, email, fax or personal delivery) to the person entitled to the response or decision if mailed on the date sent, regardless of the date of actual receipt by that person.

A. Time for Response

1. Requests Made for Commercial Purposes. The City will respond within twenty-one (21) Business Days to a properly completed Request Made for Commercial Purposes. 4. Arrest Reports. For completed Requests for chronologically maintained arrest and criminal history information, the City will respond within 72 hours after the later to occur of (a) the arrest that is the subject of the Request, and (b) the time of receipt of the Request.

5. All Other Requests. For all Requests other than those set forth in Paragraph III.A.1, III.A.2, III.A.3 or III.A.4 of these Rules, the City will respond within five Business Days after a completed Request is received by the City, unless the City has extended the Response Time pursuant to Paragraph III.A.6 of these Rules.

6. Extension of Time. If the FOIA Officer determines that additional time is needed and allowed under the Act to respond to a Request, then the FOIA Officer will notify the Requestor within the applicable Response Time of the determination, of the reasons requiring the extension, and of the length of the extension (which may not exceed five (5) additional Business Days).

In his or her discretion, the FOIA officer may seek to obtain an agreed extension with the requestor. If an extension is agreed upon, the FOIA Officer will confirm the agreed extension in writing.

B. Disclosure of Public Records

1. Notice of Approval. If the FOIA Officer determines that the Act requires disclosure of all or any part or portion of the requested public records, then the FOIA Officer will notify the Requestor in writing of his or her determination.
2. Approval of Requests Made for Commercial Purposes. For a Request Made for Commercial Purposes, if requested records are not immediately available for inspection or pick-up, then a letter to the requestor will specify a reasonable date on which the requested records will be available for inspection or pick-up, based on the size and complexity of the Request. The Response will be timely and in accordance with Rule III.A.1.
3. Access to Public Records. Except as otherwise specifically authorized by the FOIA Officer, only City personnel are permitted to search City files, records, or storage areas, or to use City equipment in connection with any Request. Original records may not be removed from the City's Office at any time.
4. Appointment to Inspect Records. Public records requested under FOIA may be inspected, or copies of public records obtained, during regular Business Hours at the City Hall or another location designated by the FOIA Officer. Requestors should make arrangements in advance with the FOIA Officer for a specific appointment to inspect public records.
5. Copies of Public Records. Copies of public records approved by the FOIA Officer for disclosure may be obtained during Business Hours at the City Hall or another location designated by the FOIA Officer, provided that the Requestor had requested copies in the Request and has paid any applicable fees.
6. Redacting Information. When a request is made to inspect or copy a public record that contains information that is exempt from disclosure, but also contains information that is not exempt from disclosure, the FOIA Officer may elect to redact information that is exempt, making available the remaining information for inspection and copying. The response letter will provide statutory and factual basis for any and all redactions.

7. Records Maintained in Electronic Format. When a record maintained in electronic format is requested in electronic format, the public records will be furnished in the electronic format specified by the Requestor, if feasible, in accordance with Section 6(a) of the Act. If it is not feasible to furnish the records in the specified electronic format, then the City will furnish the record in which the City maintains it, or in paper format at the option of the Requestor. The City may charge to the Requestor the actual cost of the medium necessary for that format.

8. Payment of Fees. The Requestor must pay all copying, certification, and postage fees in advance of receiving copies of any public records.

C. Unduly Burdensome Response

1. Notice to Meet and Confer to Narrow Request. If the FOIA Officer determines that a Request for all records falling within a category will unduly burden the City, and that the burden to the City outweighs the public interest in production of the public records sought, the FOIA Officer will notify the Requestor in writing of the determination, the reasons supporting the determination, and of the right of the Requestor to modify the request to manageable proportions. The notice will also give the requestor the option to meet with the FOIA Officer in an effort to narrow the Request.

2. Agreement to Narrow Request. If the Requestor is able to narrow the request to manageable proportions, then the Freedom of Information Officer will respond to the Request, or to the Request as narrowed at the meeting, within five (5) working days following the date of the adjournment of the meeting.

3. Failure to Meet and Confer. If the Requestor does not agree to meet and confer with the FOIA Officer and is unable to narrow their request, then the FOIA Officer may deny the Request as “Unduly Burdensome” on the fifth Business Day after the date of the Notice to Meet and Confer to Narrow the Request.

D. Denial

1. Denials of Requested Records. If the FOIA Officer determines that all or any part or portion of any requested public records are not subject to disclosure under the Act or this FOIA policy, then the FOIA Officer will notify the Requestor in writing of the determination.

2. Contents of Denials. Each Notice of Denial must (i) set forth the reason(s) for the denial, (ii) cite to the applicable exemption and/or statute, and (iii) must notify the Requestor of his or her rights to (a) seek review of the denial by the Public Access Counselor, and (b) seek judicial review under Section 11 of the Act.

3. Failure to Respond. If the FOIA Officer fails to respond to a Request properly filed under Section II (C) of this FOIA policy, the Request shall be deemed denied as of the last day permitted for the response.

4. Request for Review with Public Access Counselor or Circuit Court. If a Requestor disagrees with a Notice of Denial, then the Requestor may file a request for review with the Illinois Attorney General's Public access Counselor no later than 60 days after the date of the Notice of Denial. A Requestor denied access to certain information or public record may also file suit for injunctive or declaratory relief in the Circuit Court of Kane.

E. No Obligation to Create New Records

Except as provided in Section V of these Rules, the Act and these Rules do not require the City, in the course of responding to Requests, to create records that the City does not already maintain in record form. The FOIA Officer may in his or her discretion elect to create new records for the purpose of disclosing documents without extensive redactions/deletions.

F. No Obligation to Interpret or Advise

Neither the Act nor these Rules require the City to interpret, or advise Requestors as to the meaning or significance of any public records.

IV. FEES

A. Fees Established

Unless fees are waived or reduced under to Subsection IV.C of these Rules, each Requestor must pay the following fees for copying, certification, and mailing of public records:

If the requested records are of a type not listed above, or when the services of an outside vendor are required to copy any public record that are not 8½ x 11 or 8½ x 14, Black and White, then the fees charged for copying the records will be the actual charges incurred by the City, and the fees stated in items 1 through 4 above will not apply. The fees stated in items 1 through 4 will also not apply if the fee for the requested records is otherwise fixed by statute. If the requested records are produced on an electronic medium, then the Requestor must pay the actual cost of the medium.

The City has determined that the fees in this Subsection A are no more than necessary to reimburse the City for the actual cost of reproducing, certifying, and mailing public records requested pursuant to the Act and these Rules.

B. Method and Time of Payment

Payment of all required fees must be made in cash, by cashier's or certified check, by money order, or other method accepted by the City prior to the copying, certification or mailing of any public record.

C. Waiver of Fees

The fees provided in Subsection IV.A of these Rules may be waived or reduced at the discretion of the FOIA Officer. A waiver or reduction in fees will only be considered if the Requestor includes in the Request the specific purpose of the Request and establishes to the reasonable satisfaction of the FOIA Officer that a fee waiver or reduction is in the public interest. Any request for a fee waiver or reduction must be indicated in the Request at the time the Request is filed. A subsequent request will not be considered.

A fee waiver or reduction will be considered to be in the public interest only if the principal purpose of the Request is to disseminate information regarding the public health, safety, and welfare or the legal rights of the general public. No fee waiver will be granted if the Request is for the principal purpose of personal or commercial benefit to the Requestor. The FOIA Officer may consider the number of requested public records and the cost and necessity of copying them in setting the fee waiver or reduction amount.

D. Waiver for Failure to Respond

If the FOIA Officer does not respond to a Request properly submitted pursuant to Section II of these Rules within the applicable Response Time, then the City will not require the payment of fees for any copies of records produced in response to that Request.
