

FVPD trail crossings

Trail	Xing Road	Lanes	Speed	ADT	Now	Suggestions
Virgil Gilman Trail						
	Densmore	2	45	1800	Good Xwalk, signs	Passive detection flashing LED beacons; check (and clear) sightlines
	Galena	2	45	19000	Trail overpass (w/ link)	Good
	Barnes	2	30	1000	4-way stop, good Xwalk	Good
	Prairie	2	30	1500	Stoplight, basic Xwalk	Continental or other more visible Xwalk. Long-term: move Xing to right-corner islands (wider intersection).
	Orchard	4	45	30300	Trail overpass (w/ link)	Good
	Edgelawn	2	30	5050	Good Xwalk, signs	Good
	IL 31	4	35	17300	Trail underpass (no link)	Good
	River	2	30	6350	Trail overpass (w/ link)	Good
	IL 25	2	30	14200	Good Xwalk, signs	Move Xing to directly adjacent to Hazel, to reduce westbound Hazel right-turn conflicts with trail users.
	LaSalle	2	30	very low	Signs	Move Xing to directly adjacent to Hazel, adding Xwalk and S-bd stopline.
	Lincoln	2	30	low	Good Xwalk, signs	Shorten crossing with curb bulbouts, adding (and stopping) on-street parking striping upstream.
	Logan/Simms	2	30	low	Signs, visible but skew Xwalk	Redesign crosswalk and add signage. Could use perpendicular crosswalks and a sidepath segment, or on-road treatments such as sharrows.
	Ashland	2	30	6100	Good Xwalk, signs	Narrow Ashland at trail, maybe using painted buffers - or raised median.
	Monitor	2	30	very low	Signs, Xwalk behind stopline	Either move the Monitor crosswalk closer to Douglas (in front of the stopline), or move Douglas' crossing to the north side of Monitor.
	Douglas	2	30	7250	Continental Xwalk, ok signs	See above
	Parker	2	30	low	Good Xwalk, signs	Good
	4th	2	30	low	Good Xwalk, signs	Good
	5th	2	30	low	Good Xwalk, signs	Good
	Jackson	2	30	low	Good Xwalk, signs	Good
	Montgomery	2	30	13900	Cont., skew Xwalk, no signs	Make Xing parallel. Add RRFBs?
Illinois Prairie Path - Aurora Branch						
	Loreen	2	30	1400	Good Xwalk, signs	Good

FVPD trail crossings

	Farnsworth	4	35	23500	Good Xwalk, signs, RRFBs; painted median	SIU-E study: Raised median, w/ 4 ped-activated RRFBs (or flashing beacon) and Advanced stop lines and sign (R1-5b and R1-5c). If no raised median: Pedestrian Hybrid Beacon and Crosswalk Stop on Red line and sign.
	Church	2	30	9300	Good Xwalk, signs; skew crossing	Make crossing perpendicular
	Indian Trail	4	35	20800	Very difficult crossing, also w/ race condition with High - to - W-bd turners. Good Xwalk, signs.	When traffic signal added, use ped-activated Lead Pedestrian Interval for trail crossing. Also consider crossing S and E faces instead of W.
	IL 25	2	35	23700	Uses Hankses to cross on-road. Signs and good Xwalk but poorly located.	Move crosswalk further north. SIU-E: Ped-activated flashing beacon (pole-mounted). Or RRFBs?
Fox River Trail - East						
	Illinois	4	30	14300	Good Xwalk, signs. Painted median.	If possible (including narrower inner lanes), add raised median. Also, RRFBs can help, on center median, too.
Fox River Trail - West						
	Sullivan	4	35	11400	Trail underpass (w/ link)	Good
	Indian Trail	4	35	20800	Trail underpass (w/ link)	Good
	Illinois	4	30	14300	Good Xwalk, signs, RRFB. Narrow painted median.	RRFB possible at existing (narrow) median? Or, overhead ped-activated flashing beacon. Advanced stop line and sign. Enforcement needed.
	New York	2	30	14400	Trail underpass (nearby link)	Good
	Galena	2	30	8500	Trail underpass (nearby link)	Good
	Ashland	2	30	6100	Trail underpass (nearby link)	Good
Waubonsie Creek Trail						
	Waterford	2	30	3-4K?	Good Xwalk, but no signs. S-bd tree sightline issues	Add signage, fix sightline issues.
	Montgomery	2	35	12600	Good Xwalks, signs, RRFBs on N-crossing	S-crossing RRFBs? Enforcement needed.
	Eola	4	45	34900	Trail overpass (w/ link)	Good
	McCoy	4	35	14600	Stoplight, basic Xwalk. Short 20' gap from Xwalk to trail at northwest corner of intersection.	At northwest corner of intersection, add 20' sidewalk or sidepath from trail to crosswalk
	Frontenac	2	30	4K?	Stoplight, basic Xwalk	Better Xwalks at W, N faces?
