PM404.4.1 Area for sleeping purposes: Every room occupied for sleeping purposes by one occupant shall contain at least 70 square feet of floor area, and every room occupied for sleeping purposes by more than one person shall contain at least 50 square feet of floor area for each occupant thereof.

PM404.5.1 Sleeping area: The minimum occupancy area required by Table 404.5 shall not be included as a sleeping area in determining the minimum occupancy area for sleeping purposes. All sleeping areas shall comply with Section 404.4.

PM 404.5.2 Combined spaces: Combined living room and dining room spaces shall comply with the requirements of Table 404.5 if the total area is equal to that required for separate rooms and if the space is located so as to function as a combination living room/dining room.

PROPERTY REGISTRATION REQUIREMENTS

- All non-owner occupied single family residences, condominiums and townhomes must be registered and licensed even if no rent is paid. All two-unit and multiple unit residences must be registered and licensed. Exemptions no longer exist for owner occupied two or multi-unit residences.
- All vacant structures must be registered. Vacancy carries with the property and not the owner.
- Any change in ownership requires updated registration.
- A one-family dwelling where 4 or more unrelated persons reside is considered a Lodging House. Registration would be required in addition to other premise requirements.
- Should these conditions apply to your sale, contact the Division of Property Standards at:
  77 South Broadway, Aurora, IL 60505. Phone (630) 256-3770
