ATC Pedestrian Bridge Project Status & Update
February 03, 2020
Souts Thavong, City of Aurora Public Work Division

**Bridge Construction**
Contractors continue working through the winter months with installation of bridge reinforcement, electrical conduits, framing/setting walls and deck platform. Pouring concrete decking and upper box from spans 5 to 7. Looking to start west causeway in the coming weeks. Additional information and construction updates are available on the City website at: [https://www.aurora-il.org/1928/Aurora-Transportation-Center-ATC](https://www.aurora-il.org/1928/Aurora-Transportation-Center-ATC)
