

Love-A-Bull

Spay/Neuter Program

Aurora Animal Care & Control

Easy as 1, 2, 3!

If you are an Aurora resident and own a pit bull type or other qualifying breed of dog, you are eligible for free spay/neuter of your dog. In order to receive a free spay/neuter voucher, you need to bring the following information to Aurora Animal Care & Control:

1. Your driver's license or photo ID
2. A current rabies certificate for your dog
3. Proof that your dog is microchipped

To be approved, the documents must have the matching information including the name of the current owner and present address in Aurora.

If your dog is not microchipped, please bring them to Aurora Animal Care & Control (AACC) and as part of this program, they will be microchipped for free.

Once you have been approved by the AACC staff, you will receive your spay/neuter voucher and a city tag!
