**APPLICATION REQUIREMENTS FOR TEMPORARY DUMPSTERS****Per City of Aurora Code of Ordinances Section 20-14****Sec. 20-14. Placement of garbage containers within the public right-of-way.**

- (a) Notwithstanding section 42-8, a person who seeks to locate a garbage container within the public right-of-way must obtain written permission from the superintendent of streets.
- (b) In order to receive permission under this section the person:
  - (1) Must pay a fee to the Division of Building & Permits located at 65 Water St in an amount per day specified in advance for each day the container will be located within the public right-of-way; provided that if the container does not remain in the public right-of-way for the number of days paid, the difference shall be refunded upon review of the department.
  - (2) Shall provide a hold-harmless agreement for the city in which user shall assume full liability as to any accident that may occur as a result of the location of the container within the public right-of-way.
  - (3) Shall provide a surety bond in the amount of **five thousand dollars (\$5,000.00)** conditioning payment upon the event that the container or its use causes damage to any part of the public right-of-way requiring the city to repair the damaged area.
- (c) The following provisions shall apply to all such containers within the public right-of-way:
  - (1) All containers must be removed by 4:00 p.m. on Fridays and may not be left on the public right-of-way during the weekend (except for special events).
  - (2) In the event that a container is required to be left in the public right-of-way over a weekend, a fee per day in the amount specified shall be paid.
  - (3) Containers must have debris kept at a level below the top of the container. If debris exceeds top of container, it shall be emptied within forty-eight (48) hours. In the event that debris escapes the container causing the city to remove same from the public right-of-way, the person who received permission to locate container in the right-of-way shall reimburse the city for any and all costs incurred in said removal.
  - (4) Containers must have the name and phone number of the relevant scavenger permanently affixed to and clearly visible on the outside of the container.
  - (5) Containers that remain in the public right-of-way overnight must have reflectorized tape or paint on all corners, and barricades with working flashers must be located near each end of the container in such a way as to be clearly visible to traffic.
- (d) If any container located in the public right-of-way is not in compliance with this section, it shall be removed immediately at the expense of the person so locating it.
- (e) Dumpster must be a minimum distance of 4' (feet) from all hydrants.
- (f) **Whenever** the dumpster is placed in public Right-of-way, please contact Division of Motor Vehicles Maintenance at (630) 801-5260 so it can be determined where the container can be placed to minimize conflicts with vehicles or pedestrians prior to issuance of permit.
- (g) If the dumpster is placed in a **metered space**, please contact the Division of Motor Vehicles at (630) 844-3625 to make arrangements to pay for the space. **The fee is \$2.00** per space per day payable in advance and prior to issuance of permit and call (630) 801-5260 as mentioned in item (f).

**PLEASE READ ALL ABOVE MENTIONED REQUIREMENTS FOR DUMPSTER PLACEMENT AND CHECK BOX IF YOU UNDERSTAND THESE REQUIREMENTS.**
