Fire Marshal  
Matt Perez

Dear Friend and Member of the Community,

In a sincere effort to keep our young children safe our department is continuing our commitment to fire prevention. Our department is now organizing our annual fire safety and burn prevention education program with diversified materials targeted for the children in our community.

Our department will coordinate and distribute over 49,000 pieces of educationally sound fire safety materials geared to preschool and elementary age children in our areas. The diversified materials we have selected for our use are designed to reach each child's age level of learning. The materials selected are created and designed by the National Fire Safety Council, a federal tax exempt, nonprofit organization. We have found the materials to be enthusiastically received by teachers and children alike.

We need the support of concerned business, industrial and professional leaders to keep our program ongoing and successful each year. This is the only program of this type our department will be conducting this year.

Your sponsorship of **50 children @ \$90.00; 75 children @ \$135.00; 100 children @ \$180.00; 150 children @ \$270.00; or 200 children @ \$360.00; 300 @ \$540.00; 400 @ \$720.00; or 500 @ \$900.00** is appreciated

In grateful appreciation for your support, your name or business name will be placed on the prestige page of all the fire safety activity manuals the children receive. Your prompt remittance will assure your name on the materials the children take home.

Please make your tax-deductible check payable to the: **NATIONAL FIRE SAFETY COUNCIL, INC.** and mail directly to my attention at the Fire Prevention Bureau. Your tax-deductible contribution will be used exclusively in our community for our children.

Please accept my sincere thanks and appreciation for your time and consideration of this most worthwhile program for our youngsters. With the help of your caring hand, our department will do our best to keep our children safe from harm.

Yours in Safety, Service & Prevention,  
Fire Marshal Matt Perez
