OPERATIONAL PERMIT
Fireplace ___ Fire Pit ___ Wood burning ___ LP/Gas ___
Check those that apply

NAME: _____ PHONE # _____
Please print
ADDRESS: _____

Conditions for use of an Outdoor Fireplace shall be for single-family residential property only.
Check one below:

- ____ Located at least 25 feet from any combustible materials or structures and placed on a
Non-combustible base. Not allowed on wooden decks or balconies
Limited to a 3ft by 3ft by 2ft high fire
- ____ Located 15 feet from any combustible materials or structures if an approved cover is added
- ____ Located 3 feet from any combustible materials or structures if LP/Gas fireplace

Wood Burning

ONLY CLEAN DRY SEASONED FIREWOOD SHALL BE BURNED.

No flammable/combustible liquids shall be used to start the fire, only self ignited logs or the use of kindling wood/paper shall be used. It must be fully enclosed with some type of mesh and must have a lid.

LP/Gas

Tank size limited to 20 lbs propane or direct connection to approved gas piping from the residence. The requirement for the 25 feet separation to combustibles is reduced to 3 feet for non-wood burning fire pit/fireplace.

I have read, understand and will abide by the conditions of use of the outdoor fireplace as presented to me by the Aurora Fire Department. Any violation of the condition use will be subject to a Fire Code violation ticket being issued and a \$50.00 fine imposed.
