

## COURT DETENTION TECHNICIAN

The City of Aurora has opened testing for the position of Court Detention Technician to establish an eligibility list.

Duties include processing prisoners, assisting with court and building security, monitoring security for prisoners in the jail and at bond calls, preparing prisoners for transfers to other correctional facilities, providing support for sworn personnel and assisting in related or assigned duties as necessary. The Court Detention Technician communicates with and maintains positive working relationship with all other bureaus and divisions within the Police Department including testifying in court proceedings as needed.

Must be able to pass job simulation test, polygraph, psychological, interview, background investigation, and meet physical requirements. Position requires a high school diploma or G.E.D. Experience in a correctional environment and Spanish bilingual skills are highly desired.

Beginning salary is \$27.57/hour, after 6 months \$28.20/hour, after 1 year \$28.83/hour, and annual increases thereafter, plus a full benefit package.

**Applicants must pass the job simulation test before moving forward in the selection process.**

Visit: [www.nationaltestingnetwork.com](http://www.nationaltestingnetwork.com) to register and select a testing location. There is a non-refundable testing fee of \$35.00. The test must be completed by **November 14, 2016**.
